

Theragem Wintery News blast 2015!

Happy New Year!

After lots of holiday eating and drinking January is renowned for being the dieting month of the year especially for Detox dieting. It's also known to be one of the most depressing months of the year with the least daylight; this is the best time to reflect on how we can be creative in boosting up our immune systems. That's why we have our trusty Theragem on in the office to help rid of those January blues!

It's safe to say we have had lots of world events going on in 2014, not only in the medical field but world news as well. A few that come to mind are; several planes missing or gone down, sink hole disasters, UFO sightings, Scottish independence referendum, the freezing polar vortex experience and of course the Ebola virus. Such things should only point out how much the world is changing around us and how each of us has to adapt ourselves to the environment and how we protect it. All this urges us more and more to have a strong physique with enhanced immune system functioning and above all a relaxed outlook.

The energy of 2014 seems to have been up and down consecutively throughout the months, with tragic events happening across the globe in indescribable ways, which is why we feel it's so important to not only introduce Theragem to new markets but hear back your thoughts on how Theragem has effected you or your clients in a positive way. With advanced technology such as Crystal Light Therapy we can now move forward with science today and how we can help others.

With this in mind we would like to share

with you some exciting news:

F.O.T (Friends of Theragem) New website

The independently run website created by informed us that their new website is now up build for the friends of Theragem in literal terms,

2015!

the Friends of Theragem team, have and running for 2015! This website was as it's thanks to the friends and the

dedicated work they do, that Theragem is so successful and used all over the world to inspire and help others. We encourage you to have a look and sign up as a member to get exclusive access to articles and the chance to become a member and tell us your stories, whilst having an opportunity to discuss topics and ask questions. <http://friendsoftheragem.com/>

This fun, **free** and friendly forum is perfect for those of you wanting to post a question, read up on a topic area or communicate with other like minded professionals and therapists, using your own freedom of speech!

FACEBOOK

Our next big piece of news we would like to share with you is the **Launch of new Facebook!**

Medica Health International invites you to visit our newly re-vamped Facebook page

<https://www.facebook.com/MedicaHealthInternationalLtd>

this new business page will be another area of social media available for you to use as a Theragem resource and most importantly be able to share your fascinating stories with us! You can find pictures, questions and local updates on trainings on the website. You will also get the chance to be

part of our Medica community and follow our posts. For each **like** we get on our Facebook page you will help Theragem to grow and shine. Come on everyone let's make it to the **100** milestone!

New pricelists

Money is always a topic of debate as there is no telling what tomorrow brings, one minute the exchange rate can be up the next the rate goes down and the economy is poor. Therefore it's our duty at MHI to offer what we believe to be fair prices for equipment that is ahead of its time. Taking into account the quality and the notion that each single gem brings, each Theragem unit is carefully taken into individual hands at least twenty times to ensure you get the absolute best therapeutic equipment. With more opportunities to easily borrow money such as payday loans and loans from the banks becoming more attractive, this is the year to invest in the future and make those positive changes. It's also important to remember as a therapist what our values are in this industry, as this is our ultimate reward for the hard work we do and we love hearing the results from you. If you would like to receive our latest price list please email: sales@medicahealth.org

We would also like to thank all of the people who attended trainings and talks in 2014, especially the G&E hospital group, USA, for their warm welcome they gave Medica Health International. We hold these introductions each year to expand the Theragem name and inspire those to have courage and confidence using Theragem as a therapist or professional. For 2015, MHI will once again be offering basic and advanced trainings across the USA, Europe and Asia. From basic to advanced we are able to provide a qualified specialist and certified training that you will not get anywhere else.

New to Theragem trainings is our newly dedicated PayPal web page, to enable registering and paying for training much easier in different currencies!

<http://www.theragem.com/paypalpayments.html> Furthermore, for the first time this year we will be offering a **'double whammy'** four day intensive training in the **USA May 01-04th 2015**, to provide an opportunity for medical professionals and therapists to become CPD accredited and working with Theragem at a higher certified level.

MHI on the road:

If you are busy in your practice and often wish you had the time to see new Theragem products then what better way of doing so than by joining us at one of our must see exhibitions this year! Visit us at exhibitions in several different countries throughout the year, such as Medical Conferences, Beauty and wellness exhibitions; giving professionals of all levels a chance to visit us and see all our latest products and offers. Our next exhibition is:

Massage Dagen

7-8th March Netherlands

Stand H27 <http://www.massagedagen.nl/home/>
