**Beauty from the Inside Out**

For Immediate release

Medica Health International is excited to announce an exclusive offer of one free Eternity Gemcup\* when purchasing a Theragem™ unit!

This exciting line of Gemcups, created for the beauty and spa industry, are most popular running on the Medica Health T1005 Theragem™ Clinique unit, especially created as an alternative non-invasive option to common surgical procedures.

Chief Executive Officer, Catharina Jansma, said: "Beauty and wellbeing is just as important on the inside as it is on the outside, which is why our infused Gemcups work on a number of conditions, to boost and revive the skin to bring it back to a natural healthy glow, during short treatment times of just **20** minutes."

As we are in a society where beauty is all around us, we are always looking to improve our wellbeing and look after our skin. However at times this can become tiresome due to busy schedules, lack of time or expensive treatments. This is where the Theragem™ Eternity range comes into light, as this software option targets those troublesome areas such as; fine lines and wrinkles, cellulite, skin conditions, stress etc, during sessions of 20 minutes safe and cost effective way without harming the skin.

The E1101 Eternity range offers a large selection of Gemcups to choose from including: Rejuvenate, Soothe, Fullness, Age Defy, Cell-U-Ease and Aura Cleanse etc. that are specific to a range of conditions. All these frequencies can run from 20-60 minutes at any one treatment, as many times as advised. Research and follow up treatments, suggestions and description of the Gemcups are clearly explained for ease of use, in the Friends of Theragem™ Eternity User Manual.

CEO, Catharina Jansma said: "The Eternity range is a creative and unique way for adults of any age to see flawless results whilst relaxing the body and mind during a therapy, specific to what they require. Stress in particular can really age the skin, our non- invasive crystal light therapy equipment helps overall relaxation and improves deep sleeping regaining the skin's natural flexibility."

The E1101 Theragem™ Eternity code is successfully used internationally and is non-invasive, non chemical, non surgical and non toxic. The Eternity code runs through Medica Health Internationals Theragem™ T1005 Clinique unit, which focuses on using light and crystal therapy alongside white noise and EMF to create a wonderful fusion for the body to get back to its homeostatic state.
