Affordable "Advanced Electro Magnetic Field Therapy (EMF) for your home"

The wellness benefits to the human body of EMF (Electro Magnetic Field) Therapy have been scientifically proven in thousands of clinical trials across the globe over the past 20 years for many conditions.

Did you know that our EMF technologies are being used at a number of dedicated MS centers of excellence across Great Britain bringing significant improvement to

people's life quality with varied symptoms of this complex and potentially debilitating condition, including discomfort, heaviness, poor balance, stiffness and swelling.

Medica Health International Ltd has harnessed the tried and tested therapeutic qualities of its Professional EMF (Electro Magnetic Field) Therapy and built them into the SunRiseSunSet Home wellness system.

Now you can own a cutting edge EMF system for your home at a fraction of the price!
